USER MANUAL

Congratulations on the purchase of this speaker system. With the right care and attention, it will give you many years of trouble free operation. Before operating the system, please read this manual fully to obtain the best results from your new product, and retain it carefully for future reference.

The lightning flash with arrowhead, within an equilateral triangle, is intended to alert the user to the presence of un-insulated dangerous voltage within the products enclosure that may be of a sufficient magnitude to constitute a risk of electric shock to persons.

CAUTION: TO PREVENT THE RISK OF ELECTRIC SHOCK, DO NOT REMOVE COVER (OR BACK). NO USER-SERVICEABLE PARTS INSIDE. REFER SERVICING TO QUALIFIED SERVICE PERSONNEL ONLY.

The exclamation point within an equilateral triangle is intended to alert the user to the presence of important operating and maintenance(servicing) instructions in the literature accompanying the product.

SAFETY INSTRUCTIONS

Please read all the instructions herein. Please retain this manual safely for future reference.

Please heed all safety warnings, please use in accordance with the manufacturer's instructions.
