

Rechargeable Bike Light With Bell Instruction Manual

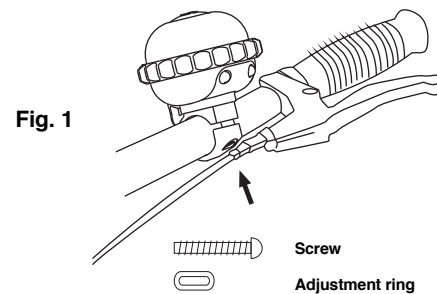

Read through this entire instruction manual before using the **Ring My Bell Rechargeable Bike Light with Bell**.

We're dedicated to bringing you well-designed products that make living fun and easy. We stand behind all our products and warrant this to be free from defects in workmanship and materials for 1 year from the date of purchase.

For service claims or questions, please consult our website ProtocolNY.com.

Mounting the Bell/Light:

Use the screw and adjustment ring to fit the bell/light onto the handlebar (Fig.1)

Using the Bell/Light (Fig. 2):

1. To ring the bell, use your thumb to turn the switch.
2. To turn on the light, press the On/Off button.
 - a. Press once to turn the lights on.
 - b. Press again to make the lights flash.
 - c. Press one more time to turn the lights off.

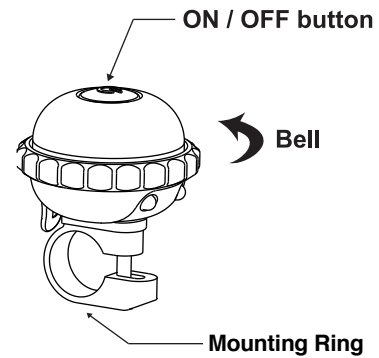

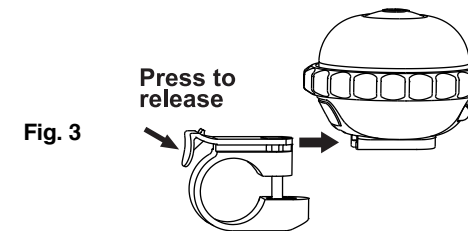

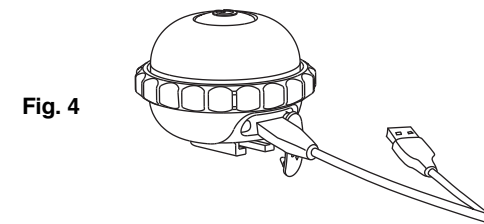

Fig. 2

Charging the Bell/Light:

1. Make sure the LEDs are off before recharging.
2. Press the tab on the mounting ring (Fig.3) to release the bell/light and slide it out.

3. Charge using the provided USB charging cord (Fig. 4). As the bell/light is charging, a dim light will be visible in the LEDs.

4. The light will turn off when the bell/light is fully charged.
5. 1.5 hours of charging yields 2 hours of use.

*Bell/Light features a rechargeable lithium battery.

NOTES:

- To clean the unit, use a slightly damp, lint-free cloth.
- Do not immerse the unit in water.
- Do not use any cleaning agents containing alcohol, ammonia, benzene, or abrasives.
