Instruction Manual

TREAD LIGHTLY

Read through this entire instruction manual BEFORE using **Tread Lightly**. We're dedicated to bringing you well-designed products that make living fun and easy. We stand behind all our products and warrant this to be free from defects in workmanship and materials.

For service claims or questions please consult our website **ProtocolDesign.com.**

WARNINGS:

- Do not mix old and new batteries.
- Do not submerge in water.

PARTS:

Batteries

INSTALLATION:

- 1. Unscrew the valve cap portion from the light tube.
- 2. Insert 3 of the 'AG10' button cell batteries (included) into each valve cap, positive side down.
- 3. Screw the tube back onto the valve cap.

Wheels

1. Unscrew the valve cap on the wheel of the bike. Screw the wheel light into the wheel.

USE:

Each click of the on/off button will rotate through steady, then six different flashing speeds of light, and then off.
