

# 2609\_Headlamp

## Instruction Manual Adjustable Headlamp

Read through this entire instruction manual BEFORE using your **Adjustable Headlamp**.

We're dedicated to bringing you well-designed products that make living fun and easy. We stand behind all our products and warrant this to be free from defects in workmanship and materials for 1 year from the date of purchase.

For service claims or questions please consult our website **ProtocolNY.com**.

### POWER SUPPLY

1. Remove the battery compartment cover at the back of the headlamp.
2. Install 3 'AAA' batteries (not included) into the compartment according to the indicated polarity of "+" and "-".
3. Close the compartment cover.

### HEADLAMP LEVELS

Click the power button to turn on the headlamp and then keep clicking to access the three different light levels.
