

HOW TO USE:

1. The mount swivels 360° for the optimal viewing angle.
2. If you are in an emergency, pull the mount out of the vent to use:
 - a. the seatbelt cutter
 - b. the glass breaker – this is covered for everyday safety. You can keep the cover in an emergency and it will still break glass.

WARNINGS:

- Keep your eyes on and pay attention to the road while driving at all times. Do not drive while distracted. Do not touch your phone or adjust this device while you are driving.
- Make sure you are aware of the location of the seatbelt cutter blade and the glass breaker.
