

Instruction Manual

POCKET MAGNIFIER
WITH LED LIGHT

SMART MAGNIFIER™

Read through this entire instruction manual BEFORE using the **Smart Magnifier**. We're dedicated to bringing you well-designed products that make living fun and easy. We stand behind all our products and warrant this to be free from defects in workmanship and materials.

For service claims or questions please consult our website **ProtocolDesign.com**.

WARNINGS:

- Do not mix old and new batteries.

PARTS:

1. Handle
2. Magnifier
3. LED Lights
4. Battery Compartment

HOW TO USE:

1. The Smart Magnifier comes with batteries included.
2. Pull the magnifier away from the handle to activate the LEDs.

BATTERY INSTALLATION:

1. Smart Magnifier requires 2 x 'AG110' batteries which are included and pre-installed.
2. If you do need to change the batteries, remove the battery compartment and install replacement batteries according to indicated polarities.
