### TO ASSEMBLE:

Remove the protective film from the product surface before installing.

1. Assemble the two short boards (parts E1) with one long board (part E2) and connect using four screws (parts B1). Make sure the grooves on each board face inward. Please use image 1 as a guide.

2. Insert the bottom board (part E3) into the assembled boards from step 1 following the grooves. Please use image 2 as a guide.

3. Slide one washer (parts E6) with the flat side towards the athlete on each end of the athlete bars (parts T1, T2, T3, and T4). Repeat this step using the rubber bumper (parts E5). Push the bumper and washer snug against each outside athlete. Please use image 3 as a guide.

4. Install the four athlete bars (parts T1, T2, T3, and T4) into the holes of the long board (part E2). Make sure to alternate teams. Please use image 4 as a guide.

5. Slide the second long board (part E2) over the athlete bars (parts T1, T2, T3, and T4). Make sure the groove of the long board faces inward. Connect using 4 screws (parts B1). Please use image 5 as a guide.

6. Slide on the four handles (parts A2) and the four covers (parts A3) over the athlete bars (parts T1, T2, T3, and T4) making sure everything fits tightly. The pre-drilled holes on the handle must line up with the pre-drilled holes on the athlete bars. Please use image 6 as a guide.

7. Insert the four small screws (parts B3) into the pre-drilled holes on the handles (parts A2) and athlete bars (parts T1, T2, T3, and T4) and tighten with the included screwdriver (part C1). Please use image 7 as a guide.

8. Slide the scoremarker (part E7) over the scorekeeper (part E4) and fix the scorecaps (parts E8) to each end. Please use image 8 as a guide.

9. Install the two markers (parts E4) on the top of each short board (parts E1). Make sure to line up the pre-drilled holes on the markers and shortboards. Insert four screws (parts B2) into the pre-drilled holes and tighten using the included screwdriver (part C1). Please use image 9 as a guide.

10. Turn the entire unit over to reveal the hockey side. Install the two markers (parts E4) on the top of each short board (parts E1). Make sure to line up the pre-drilled holes on the markers and shortboards. Insert four screws (parts B2) into the pre-drilled holes and tighten using the included screwdriver (part C1). Please use image 10 as a guide.

11. Tabletop Soccer and Hockey should now be completely set up. Please use the included foosballs (parts A1), pucks (parts B4), and mallets (parts B5) to enjoy the game.
