

## Instruction Manual for Flashlight Plus™

11-in-1 Flashlight Multi Tool

Read through this entire instruction manual BEFORE using **Flashlight Plus**. We're dedicated to bringing you well-designed products that make living fun and easy. We stand behind all our products and warrant this to be free from defects in workmanship and materials.

For service claims or questions please consult our website [ProtocolNY.com](http://ProtocolNY.com).

### BATTERY INSTALLTION:

1. Twist right to remove cover.
2. Pull out compartment and insert 3 'AAA' batteries (not included) according to indicated polarity.
3. Place compartment back into flashlight with metal connector pin facing up.
4. Screw cover back onto flashlight.

### TO ACTIVATE LANTERN:

1. Pull down on top of the flashlight until a white cylindrical lantern is exposed (Fig 1.) Make sure the on/off button is switched to "lantern" or "emergency flashers"

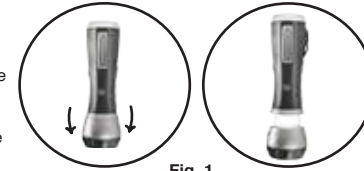

Fig. 1

Warning: Once you are finished using the flashlight, make sure flashlight is completely turned off and not in lantern or emergency mode.
