## Instruction Manual for Motorized Card Shuffler

### Installing the Batteries

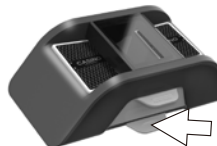

1. The battery compartments are located on the bottom of the shuffler on each end. Using a Phillips screwdriver, open the battery compartments and insert 4 'AA' batteries total according to indicated polarity.

2. Divide your deck of cards roughly in half and place one half in each tray of the Card Shuffler.

3. Press the ON button to shuffle the cards.

4. When cards are finished shuffling, open the drawer on the bottom of the Card Shuffler to remove your completely shuffled deck.

We're dedicated to bringing you well-designed products that make living fun and easy. We stand behind all our products and warrant this to be free from defects in workmanship and materials for 1 year from the date of purchase.
