

# 7252-4E\_winelock\_IM

## Instruction Manual for Wine Lock™

Read through this entire instruction manual before using the **Wine Lock**.

We're dedicated to bringing you well-designed products that make living fun and easy. We stand behind all our products and warrant this to be free from defects in workmanship and materials for 1 year from the date of purchase.

For service claims or questions, please consult our website [ProtocolNY.com](http://ProtocolNY.com)

### To set the combination:

- 1) The combination on the wine lock is preset to '000'.
- 2) To change the combination, open the lock. While it is open, push the switch up and left as shown in the figure below:

- 3) Set the desired three-digit combination and then push the switch back to its original position.

### Using the lock:

- 1) With the lock open and set to the desired combination, place the lock onto the top of a bottle.
- 2) Close the lock and you will hear a click.
- 3) Scramble the combination dial and the lock is secure.
- 4) To open the lock, put in the combination and press the silver button. The door will swing open.
