

A man with dark hair, wearing a black jacket, is playing a black and yellow bass guitar. He is sitting on a stool. Behind him is a large black Ashdown amplifier stack with two blue speakers. On top of the stack is a black Ashdown AD600 bass head. The background is a large, stylized clock face with numbers 10, 20, 40, and 60. The overall color scheme is warm, with orange and yellow tones.

**"Ashdown bass amps make my kind of noise.  
They're as unique as the man that makes them,  
and as unique as my sound. I love 'em!"**

**JJ Burnel**
