THE ALL-AMERICAN REJECTS

Tyson Ritter Ashdown ABM

Brilliantly crafted pop/punk/metal anthems and an infectious energetic live show make the All-American Rejects one of the hottest bands around. And while bassist/singer Tyson Ritter is doing his thing out front, his Ashdown ABM bass rig is holding down the backline. Check out AAR news at www.allamericanrejects.com and visit the Ashdown website to find out more about ABM bass amplification.
