**GENERAL POLICIES & PROCEDURES**

These policies are statements of the general or customary method by which ROOTS operates and interacts with students and families. Whenever the individual rights or duties of students or families are being determined under any circumstance, the final decision rests with the Board of Directors based upon the totality of the circumstances and any decision made by an employee, agent or officer of Roots School may be appealed to the Board of Directors.

**HOURS OF OPERATION**

**K-1 Grade** 8:30am – 3:00pm/3:15pm (Drop off between 8:30am - 9:00am only/Pick Up 3:00 - 3:15pm only)

**2-6 Grade** 8:30am – 2:45pm/3:00pm (Drop off between 8:30am - 8:45am only/Pick Up 2:45pm - 3:00pm only)

**Pick-Up times on Wednesdays only:**

**K-1 graders:** 2:30pm

**2-6 graders:** 2:15pm

* Siblings arrive at the earlier time and are picked up at the later time.

Children should be brought to school on-time so as not to disrupt learning. Children cannot be dropped-off earlier than 8:30am. All students are expected to be picked up at the time school dismisses for the day. (Please review “Late Pick-Up Policy” on page 6).

**PLACEMENT POLICY**

We assess children at the level at which they are functioning, which may be below, at, or above grade level, depending upon the child.

**APPLICATION PROCESS**

In order for any student to begin attendance during the 2023/2024 academic year, he/she must be at least 5 years of age by the first day of the academic year.

New families must submit an application and an application fee before being considered for acceptance. Following acceptance, students will be considered enrolled once Roots School has received the completed Application Forms, an interview, and an informal assessment conducted. Please refer to tuition payment schedules on page 16.

Once a child is officially admitted, the following documents must be completed, signed, and submitted to the teacher prior to the first day of the academic year:

1) Application Forms
2) Excursion Permission
3) Emergency Treatment Consent Form
4) Health History and Medical Insurance Information
5) Proof of TB (Tuberculosis) test
6) Immunization Records or Religious Waiver
7) Media Release Permission
8) Parent Participation Form
9) Code of Conduct Form
10) Financial Responsibility / Late Payment Form
11) Liability Form

Please note that students who have not made an appropriate deposit, tuition installment and/or who have outstanding balances from previous years, will not be allowed to begin the academic year until their account is settled.
SIGNING APPLICATION AND ENROLLMENT DOCUMENTS

All documents must be signed by both parents/guardians of the student when both have joint legal custody, regardless of marital status. Families must provide sufficient documentary evidence of legal and physical custody of a child upon request. Parental signatures unreasonably withheld by a parent of a student who is subject to a joint custody agreement or order shall be disregarded for purposes of this policy. However, such parents shall be prohibited from entering or remaining at Roots School, or from participating in any Roots School off-site function until such documents are signed.

NEW STUDENTS/WAITING LIST

To be officially considered for open spaces in the Roots School, parents/guardians must complete an application form and submit the non-refundable $100 fee. Once accepted, the Application Form with accompanying non-refundable fee must be received in order to secure enrollment. All payments due per the Application Form must be made as outlined in the form.

If Roots School classes are full, families who have already submitted an application and the non-refundable fee will be placed on the waiting list.

SIBLING PRIORITY

Roots School makes an effort to prioritize siblings in the application process. Sibling priority allows families a greater opportunity for their children to attend school together. To receive sibling priority, a family must have had a child enrolled in the school during the previous school year who will continue to be at that school in the upcoming school year. Sibling priority does not guarantee acceptance into the school, as enrollment priorities, school capacity, and the applicant’s assessment are also taken into consideration.

LATE ENROLLMENT

Students who join Roots School after the first day of the academic year, but before October 01, 2023, are responsible for the full annual tuition. Students who join Roots School after October 01, 2023, will pay tuition at a prorated monthly rate based on weeks. All students are responsible for the full field trip fee of $250.00 at the time of enrollment.

ABSENCES

If your child will be absent, please notify the office by email, office@rootsmaui.org or phone call, 808-250-7988 by 9:30am.

EXCESSIVE ABSENCES

In order to best support students to be as successful as they can be, both socially and academically, attendance is very important. We at Roots School firmly believe in encouraging and guiding students toward healthy and balanced lives and believe that teaching them discipline is part of that. Children missing more than 25 days of school within any given school year may be “held back.” Exceptions may be made by an agreement between the lead teacher and the parents/guardians prior to any absences for extraordinary circumstances.

VACATIONS/LONG-TERM ABSENCES

Families are responsible for the full annual tuition regardless of excused or unexcused-, short- or long-term absences. Parents must notify teachers of vacations and anticipated absences in advance.
**LATE PICK UP FEES**

There is a $1/minute charge for late pick-ups starting at 3:00pm for 2-6 grade students, and 3:15pm for K-1.

When an adult picks up a child any time after these specified times, he/she must complete the Late Pick-Up form, indicating the name(s) of the child(ren) who were picked up late, the time of pick up, the late fee amount, and whether or not the amount was paid at pick up. The parent/guardian and teacher who stayed late must both sign the form. If parents/guardians are not picking up and signing the form for whatever reasons, they are still responsible for the late fee. Fees are charged per parent/guardian picking up, and not per child. If the parent/guardian does not pay at the time of pick up, the late pick-up fee will be added to the following month’s tuition payment.

When parents/guardians are late, teachers will call them starting at 3:00pm/3:15pm. They will call each parent/guardian listed on the registration form. If neither parent/guardian can be reached, the teacher will call the person listed as the emergency contact. Every family must provide at least two ways of being reached (phone or email) and must list an emergency contact. Parents must provide updated contact information if that should change during the school year.

Please note that teachers are prohibited by Roots School policies to drive students anywhere except to the hospital or police station. Therefore, if teachers have been unable to contact parents/guardians or emergency contacts for two and a half hours after the students have been dismissed, the teacher is required to take the student to the Maui Police Department in Wailuku, where the student may remain until the parent/guardian arrives. In this extreme situation, parents will be charged a late fee assessed from the time of dismissal until the time the teacher has arrived home.

**COVID-19 policy:**
If your child, or someone in your household, tests positive for COVID-19, please notify the school office immediately.

**If COVID-19 positive (regardless of vaccination status):**
- Covid-positive individual is required to isolate for at least 5 full days and until symptoms are gone
- Wear a well-fitting mask around others indoors from day 6 to day 10 after completing home isolation

**Students and staff can return to school when all the following conditions are met:**
- 5 full days have passed since symptoms first appeared or 5 days after the test was collected, if asymptomatic and
- 24 hours with no fever without use of fever-reducing medications; and
- Symptom-free

**Note on isolation per CDC:** Day 0 is your first day of symptoms or a positive viral test. Day 1 is the first full day after your symptoms developed or your test specimen was collected. If you have COVID-19 or have symptoms, isolate for at least 5 full days.

**Close Contact Policy**
Quarantine is not required for in-school exposures. Individuals with in-school exposure may remain in school if asymptomatic and should:
- Get tested, if possible, at least 5 days after potential exposure to a person with COVID-19, even if not having symptoms. Covid tests will not be required to be submitted to the office.
- If symptoms develop, immediately self-isolate and get tested.
- Wearing a well-fitting mask around others indoors for 10 days is recommended.

Anyone with COVID-19 symptoms, even mild symptoms, should stay home from work, school and other activities. Those with symptoms who have not been tested should be tested as soon as possible.
TUBERCULOSIS (TB) / HEALTH RECORD

State law and State Department of Health administrative rules require tuberculosis (TB) tests for all students, faculty and staff entering school or participating in communal learning activities to be tested for tuberculosis up to a year before the first day of communal learning activities.

MEDICATION

Please do not bring medication to Roots School. Teachers will not dispense medication, with the exception of asthma inhalers and epinephrine pens. If the student has a prescription for either of these items, then the parent/guardian must meet with the teacher to make special arrangements for these medications.

EMERGENCY MEDICAL CARE

If time permits, we will contact parents/guardians immediately. If the injury is life threatening, we will administer first aid and/or CPR, and call 911. In situations where we need to get into an ambulance or car with a child, or when other children need to be supervised by another adult, one of the other teachers will provide substitute care for the remaining children. Unless otherwise recommended, your child will be taken to Maui Memorial Medical Center, the nearest emergency facility. It is required that parents/guardians sign medical releases and medical authorization forms. Roots School is equipped with a medical kit, and we are certified in Infant & Child CPR & First Aid.

GENERAL EMERGENCY

In the event of an emergency during school hours, parents/guardians will be notified to pick up their children.

DISASTER PLANS

In the event of a disaster (flood, fire, etc) we will contact parents/guardians. If the need arises, we will evacuate the nearest dedicated evacuation shelter, which is Haiku School, at 105 Pauwela Road in Haiku. In the case of a nuclear attack, we will evacuate to the Aloha Aina Center.

During the year, there will be periodic safety drills and evacuation exercises to ensure the utmost safety of all of the children in case of emergency.

INSURANCE

Roots School is covered by liability insurance.

TRANSPORTATION

If parents/guardians are asked to drive for field trips (see Parent Hours Policy, page 12), Parent/Family drivers MUST provide a copy of their current driver's license, proof of insurance and current certificate of registration. All required documents must be submitted to the office at least (1) day prior to the field trip for review.

Driving parents and field trip chaperones may also be subject to screening through Hawaii's Sex Offender Registry as maintained by the Department of the Attorney General.

POLICY REGARDING SPECIAL LEARNING NEEDS STUDENTS

The philosophy behind Roots School is to provide hands-on learning experiences in multi-age environments where children can work at their own level and pace while being encouraged through peer interaction, teachers, staff, family and themselves. It is Roots School’s goal to meet the needs of each individual child. The Roots School program can be modified, and this can be successful for many styles of learners. However, Roots School staff must meet with each family and student on a case-by-case basis to ensure a proper fit for the child, the classroom dynamic, and the family. Although our school and philosophy may provide a positive experience for some children with special needs, in the final analysis, Roots School does not have the services or trained staff required to meet the needs for children with special learning needs.
If it becomes clear that the needs of an enrolled student are beyond the scope of our program, as determined by their teacher and/or an outside professional, Roots School will not hold the student’s family to their enrollment contract.

**STATEMENT OF NON-DISCRIMINATION**

At Roots School, we strive to accommodate the learning styles and needs of a broad variety of students. Furthermore, students are admitted without regard to race, color, religious preference, nationality, ethnic origin or disability. However, Roots School reserves the right to refuse admission or the continuation of services to those whose needs are unable to be met by our program.

**DISCLOSURE OF INFORMATION ON STUDENTS, PARENTS, AND GUARDIANS**

Roots School will not disclose any information about students and/or their parents/guardians to anyone except the student’s parents/guardians without prior written permission from the parents/guardians, unless an emergency arises. If you do not want your contact information included in our Student Directory that will be shared with the class, please notify the office.

**TRANSITION TO A NEW FACILITY OR SCHOOL SETTING**

When students transition to Roots School or to another school, Roots School staff will work with the student, parents/guardians, and new caregivers/teachers to make the transition as smooth as possible.

**NON-SMOKING ENVIRONMENT**

Roots School Preschool and Roots School are non-smoking environments at all times.

**COMMUNICATION/Open Door Policy**

We welcome parents/guardians visiting individually. Some parents/guardians may choose to wait until after their child has adjusted to the new environment before visiting. Please make arrangements ahead of time.

Communication with parents/guardians will be conducted via newsletters, office emails, and individual emails from teachers. **If a parent/guardian is unable to access email, he/she must work with the teacher to establish an alternative form of communication.**

Parents/Guardians agree to inform Roots School of any major incident or situation that may impact their child’s ability to focus or perform at school and agree to work closely with the school and his/her teachers to ensure their child’s safety and success, and the safety of other Roots School students, teachers and administrators. For example: major change in his/her home environment, moving, custody rights, divorce, new sibling, etc.; changes in the routine, new medical information, and changes in your work number and/or schedules.

**Respectful Roots Environment Policy**

All Roots School employees and families will be treated with respect, honesty and dignity. Behavior and/or situations which run contrary to such treatment will not be tolerated.

*Examples of Disrespectful Behavior include:*

- Any verbal or written statement objectively interpreted by a reasonable person to be menacing or taunting in nature (e.g., coercion, intimidation, bullying, ridiculing or belittling);
- Written or verbal comments, behaviors, or jokes that are rude, degrading, demeaning, insulting, embarrassing or offensive;
- Bullying or shouting which is demeaning, taunting or considered teasing;
● Attempting to discredit an employee or other member of the Roots School community by spreading false information;
● Any behavior considered to be sexual misconduct by a reasonable person.

Remedies:
1) Teachers or parents/guardians should report disrespectful behavior to the Head of School.
2) The Head of School will contact the person who has been identified as behaving disrespectfully and ask him/her to provide information from his/her perspective.
3) The Board of Directors will determine appropriate action, which may be communicated through the Head of School.
4) In the case of on-going disrespectful behavior may result in expulsion

CELL PHONE AND OTHER ELECTRONIC USE
Students are not permitted to bring or use cell phones, between 8:30am and 3:00pm. If you need to give your child a message, please call the office and we will happily deliver the message. Other technologies are carefully considered and used as a tool in some of our classrooms.

CHANGE OF ADDRESS / CONTACT INFORMATION
If you change your home/office address, phone number, or email address, please contact the school immediately with the changes to 808-250-7988, or by email to office@rootsmaui.org.

POLICY CHANGES
These policies may be changed at any time at the discretion of the Board of Directors. Whenever a policy is changed, the same shall be e-mailed to every family. Parents/guardians are responsible for making sure their email addresses are current with the school.

PARENT PARTICIPATION HOURS AND ANNUAL FUNDRAISER INVOLVEMENT
Each parent is required to participate for twelve (12) hours during the academic year regardless of the number of children the family has enrolled in Roots School. In addition, parents are also required to participate in the Annual Fundraiser each year.

Parent meetings are occasionally held to discuss Roots School structure, policies, events, and arising needs of the children. They reflect support for the teachers, support for the parents, and provide an avenue for the growth and vision of Roots School. Parents who are unable to attend meetings are responsible for following up to find out what decisions were made. Because of the diversity in families and students, parent/guardian hours are based on the number of parents/guardians active in the student(s)’ lives. Within a given family, parents are free to take on another parent's hours. Two-parent families will be responsible for a total of 24 hours/year.

Why parent participation hours are vital to Roots School
This is one of the ways to keep Roots School tuition low. Important additional benefits to parent participation are getting to know other parents and families, developing bonds with other families and children in our community. Children who observe parents participating, see that their parents are committed to the school community, and that the unique education provided by Roots School is important to the family. Please keep in mind that at Roots School, there is minimally paid administration and no staff support. This means that in order to accomplish important fundamental tasks, parents must contribute their time in a responsible and effective manner.

Examples of parent jobs include:
Driver and Chaperone for Field Trips:
● All field trips count as 3 hours, unless the field trip is less than 3 hours in length. All Parent/Family drivers must provide a copy of valid driver’s license, current proof of insurance and current registration. All required documents must be submitted to the office at least one day prior to the scheduled field trip.
Teaching:
- Yearbook club or class with the 4th-6th grade class
- Offering an after-school club (coding, robotics)
- Coaching a Roots School sports team

General Work:
- Maintaining the grounds, including the gardens; landscaping, and/or maintaining parking lot on a regular basis
- Laundry (totaling 3 parent hours per month)
- Construction projects;
- Errands/Shopping for supplies (if specifically requested by the teacher);
- Fundraising, including developing and implementing fundraising opportunities;
- Event participation such as the Annual Fundraiser or any other fundraising and/or community activities
- Cleaning

Public Relations:
- Distributing information on social media platforms, flyers and or brochures
- Help with Open House
- Help with Children's Fair and other fundraising efforts

Extra Hours
If a parent works beyond his/her twelve (12) hours in a particular year it is considered an appreciated donation to the school. For example, a parent teaching a class throughout the year for more than an hour per week. The extra hours will not be applied towards the following academic year.

Cash Payments Instead of Volunteering
Families unable to fulfill the volunteer requirements have the option to pay $25 per hour missed. Please note that the $25 per hour missed does not imply that the work is worth $25 per hour. Roots School recognizes that some work could cost Roots School considerably more or considerably less on the open market. Roots School, however, requires help from parents in order to keep tuition low and to help build our community.

Expenses Related to Hours
As with parent-taught classes, any reimbursements for expenses related to a task must be approved before they are spent. Parents are expected to take responsibility for minor expenses related to a task (e.g. cell phone time, printing, copying, supply costs). If Roots School is requesting that the parent perform a task which includes major expenses (over $10), the Board of Directors will look for donations before assigning the task.
TUITION PAYMENT POLICY & PROCEDURE

Tuition cost currently accounts for almost all of Roots School’s income, our budget relies on tuition being received in a timely manner. Furthermore, almost all of Roots School’s income pays for the hiring of teachers, mortgage, and other necessary expenses for the upcoming year. Teachers are hired on an annual basis, and we must honor our obligations to the individuals directly responsible for educating the students.

The following terms and conditions have been approved by the Board of Directors and will be used in administering financial procedures at Roots School. Please read these policies and procedures carefully. Contact the Roots School office if you have any questions.

If tuition is paid in installments, the discount will be prorated. This discount cannot be combined with other discounts for tuition payments in K-6. Sibling discounts are intended to alleviate the financial burden for parents who are paying for more than one child to attend Roots School; the term "sibling" only applies to children living full-time in the same household.

**Enrollment and FACTS Deadlines:** In order to guarantee a space for your child(ren) in the upcoming academic school year, all paperwork must be completed and submitted to Roots School no later than the date defined in the Enrollment Contract.

Roots School requires all families to use FACTS, an online management system to process tuition and fee payments. FACTS is free for families who select the “One Tuition Payment” option. Sign up for FACTS at https://online.factsmgt.com before the date defined in the Enrollment Contract.

**NOTE:** All tuition and fees paid are non-refundable, including any prepayments and field trip fees. Your financial obligation to pay the tuition and fees for the full academic year is unconditional. Students are enrolled for the full academic year, and no adjustments in tuition can be made by the Roots School for absences, vacations, withdrawal, and/or dismissal. Enrollment is not based on specific teachers or staff members. If tuition assistance is canceled for any reason, Roots School must be notified in writing immediately. Please continue reading on the next page for Roots School policies and procedures for enrollment, late fees, withdrawal, and dismissal.

If the student receives tuition assistance, the parent/guardian is financially responsible for any remaining tuition and all fees not covered through the plan. If tuition assistance is canceled for any reason, Roots School must be notified in writing immediately.

LATE PAYMENT FEES AND RETURN PAYMENT FEES

A late fee of $20 will be assessed for any payment not received within 9 (nine) days of the due date. Tuition and fees are considered past due 30 (thirty) days after the billing date. In addition to the late fee, an interest rate of 1.5% per month may be applied to delinquent accounts until the overdue amount is paid. Additional fees may be charged by FACTS for returned payments. Parents/guardians who have difficulty making timely payments must contact the Roots School office to arrange a satisfactory payment arrangement. Failure to comply with an accepted alternate payment plan shall require immediate dismissal of the child from Roots School. Hardship requests for alternate payment plans shall be approved or denied by the Board of Directors. When such arrangements have not been made, an account in arrears for more than 45 days will be sent to a collection’s agency or attorney. Parents/guardians must pay all collection fees, attorney fees, and any other costs associated with collecting any outstanding amounts.

WITHDRAWAL POLICY & PROCEDURE

Withdrawal from Roots School prior to the end of the academic year has an impact on the students socially and on Roots School operationally. When a family commits to Roots School, they are making a full year commitment; tuition and fees are due and owing at the beginning of the year. In addition to following the Enrollment Policy & Procedures information, a “Written Notice of Withdrawal” must be completed and submitted at least thirty (30) days prior to withdrawal in writing by Certified U.S. Mail or in-person. Parents/guardians must pay all collection fees, attorney fees, and any other costs associated with collecting any outstanding amounts. If a request to withdraw is canceled, the student will be allowed to continue at Roots School provided that the space has not already been filled by someone on the waiting list. If the student is re-enrolled, a $50 administrative fee will be due and owing.

DISMISSAL POLICY & PROCEDURE

If the unfortunate circumstance arises in which Roots School determines that the student may not remain enrolled at Roots School and should be dismissed; all tuition shall be forgiven in ratio to the remaining days of school, except in those instances in which the separation is due to a violation of these policies by the parents/guardians. All fees paid are non-refundable.
