

PERSONAL WIDE PRINTING / PEANUTS PLANNER CO.

Please print from your computer and not from your web browser.

Hello, please remember that these are digital items. The instructions I provide below have worked on various systems and printers but that does not guarantee that they will work on yours.

VERSION ONE

TWO PERSONAL WIDE INSERTS PER ONE US LETTER SIZE PAPER

PAPER TO PRINT ON

US Letter Size paper 8.5" x 11" inches

IN YOUR PRINT SETTINGS

Disable Auto Rotation, and scale to 100% or Actual Size

(Actual Size can also be listed as Full Size, Do Not Scale, Disable Scaling, Scaling Off, etc)

HOW TO PRINT

1. Print the pages front to back in chronological order, manually flipping or using your printers double sided feature (not available on all printers) **or** if you prefer, print the odd pages first, flip over, and print the even pages on the reverse sides.
2. Cut along the provided guidelines (guidelines are **only** present on the odd pages)

VERSION TWO

ONE PERSONAL WIDE INSERT PER ONE PERSONAL WIDE SIZE PAPER

PAPER TO PRINT ON

Personal Wide Size Paper 4.75" x 6.75" inches

IN YOUR PRINT SETTINGS

Change the paper to Personal Wide dimensions, disable Auto Rotation, and scale to 100% or Actual Size

(Actual Size can also be listed as Full Size, Do Not Scale, Disable Scaling, Scaling Off, etc)

HOW TO PRINT

Print the pages front to back in chronological order, manually flipping or using your printers double sided feature (not available on all printers or with smaller paper sizes) **or** if you prefer, print the odd pages first, flip over, and print the even pages on the reverse sides.

ALTERNATIVE PRINT METHOD

If the directions above didn't work, here are some alternative, helpful methods to try with Version Two

PLEASE NOTE

Some printers have fixed margins. The edges of the design may be cut off depending on your printers capabilities.

Some printers will not work with Personal Wide paper because it may be too small.
