

We will accept any exchange or return of a ring purchased from our online store, however rings resized by another retailer or independent jeweler will not be accepted in store or online.

Additionally, any rings purchased and sized at our onsite location, or at one of our retailers can only be exchanged or returned at that location. We cannot accept store transactions through our online store.

## The Paper Test

- Cut out the ring sizer below
- Wrap the sizer snugly around the widest part of your finger so the numbers are visible to you, and insert the pointed end through the slit you made
- The number that aligns with the slit is your proper size

## The String Test

- Cut a small piece of non-stretchy string
- Wrap it snugly around your finger for an accurate measurement
- Compare your measurement with our sizing chart below
- Do not wrap the string too tight
- For the highest accuracy, have someone help you measure

size	length mm	size	length mm
3	44.2	9	59.5
3.5	45.5	9.5	60.8
4	46.8	10	62.1
4.5	48.0	10.5	63.4
5	49.3	11	64.6
6	51.9	11.5	65.9
6.5	53.1	12	67.2
7	54.4	12.5	68.5
7.5	55.7	13	69.7
8	57.0	13.5	71.0
8.5	58.3		

## The Secret Test

- Find a ring that your loved one currently wears on the intended finger
- Place the ring on top of each circle until you find a perfect match
- The match should perfectly fit along the inner edge of the ring, with the full circle visible
- Double check for accuracy
