PRECAUTIONS

1. The device is for grinding coffee beans only. DO NOT grind other material.
2. It's recommended to clean it with a brush. DO NOT wash it with water.
3. Be careful of the sharp metal burrs.
4. Keep kids from using it.
5. Keep it in a cool and dry place.
6. It's not recommended that customers disassemble or replace any part of it. If you have any special requirement, kindly operate with the advice from related professional persons.
7. Warranty is not available if you are against the above remarks
8. If you use the grinder to grind coffee beans, the device is not refundable or returnable unless there is any quality problem. Because burrs may get damaged after use.

REMARKS:

*We are not in charge of the consequences caused by the violation of the above precautions.

*Once it's been used, it's not available to return or exchange except quality issues.

Because burrs are consumable, trial grind is not available.
