

PRESSURE CONTROL

Create ideal tamping pressures ranging from 2kg to 38kg

PRECISE CONSISTANT PRESSURE

Accurate pressure no matter the amount of coffee or grind size

FLAT SURFACE

Patent GLS – Guide Levelling System ensures a flat coffee bed every time

NON-STICK COATING

Nano Technology with food grade safe non-stick coating ensures clean tamping

CAST ALLOY STRUCTURE - WITH ALL METAL FEATURES

Strong, Reliable and Durable

MAIN PARAMETER

Voltage	12V
Power	60W
Net Weight	3.7kg
Tamper Diameter	Stander 58mm
Tamper Shape	Flat Bottom
Adjustable Pressure	2kg~38kg
Duration	1.2 Sec
Multi Segment Tamping	1~3 times
