and **design**

Life.

Life is a coffee grinder designed to enrich the moments of those who want to get closer to the world of coffee, in a free, curious and eclectic way.

With Life you can experience coffee following your own personal style and intuition. It is perfect for grinding beans to make whatever type of coffee you desire.

The zero-retention bellows makes the best from Single Dose experience which ensure **reduced environmental impact** and **less coffee waste**

With Life you can grind coffee as you like, choosing between the On-Demand hopper or the support for Single dose. Life is built to last by using high-quality, durable materials. Don't be afraid to dare!

With Life, you can choose how to live your **coffee experience**

Life is the product through which Ceado wants to connect with coffee lovers, those for whom coffee is a lifestyle built on freedom and beauty. Life coffee grinder is your way to experience the daily pleasure of the ritual of coffee; it deserves a special attention, the same attention you give to the choice of a **design** and furniture elements.
