

# 2 Door Instruction

This is a supplement page to the 4 door instructions. You will not have the 29.5" Front Support Bar, instead you will have a 12 and 8 inch bar. Please note the distance between your power unit and ceiling pulley to be 32" for the 2 Door. Please reference the image for your 2 Door Bronco. If you have any questions we are here to assist you. You can call or email us at 801-262-7322 [CustomerService@langeOriginals.com](mailto:CustomerService@langeOriginals.com)

## Additional Parts:

- 12" Rear Bar
- 8" Front Bar
- 3/8 X 0.75" Hex Bolt
- 3/8 Lock Nut

New distance between power unit and ceiling pulley

# 2 Door Frame Assembly
