...an amazing organization

WHO ARE WE?

Established in 1963, **OIPEEC** has

- over 100 members
- from more than 25 countries.

OIPEEC is a worldwide Association of

- scientists,
 - experts,
 - researchers,
 - manufacturers and
 - users,
- dedicated to study properties and behavior of wire and fiber ropes.

OIPEEC studies include a wide range of applications such as

- elevators
- cranes
- ropeways
- rope for construction
- large mooring lines
- hoisting ropes for mines
- deep-water lifting ropes
- industrial ropes

WHAT DO WE OFFER?

Collect, acquire, preserve and disseminate rope related research work

Organize international conferences to present and publish results of rope science and research

Web post and print publish new developments of rope science, research and technology

Encourage wire- and fiber rope scientific research and new development projects

Provide network opportunities for experts, researchers and users

Communicate with individuals, standardization and safety authorities interested in the science of rope

HOW CAN YOU JOIN?

To become a member simply contact us via our website:

www.oipeec.org

Membership provides access to a large and comprehensive database of rope related research publications covering over 50 years

OIPEEC

The sole scientific organization bringing together those who are actively engaged in research of rope properties and rope behavior

OIPEEC

...一个令人惊叹的组织

我们是何种组织？

OIPEEC 成立于 1963 年, 它拥有

- 100 多名会员
- 他们的分布区域超过 25 个国家

OIPEEC 是一个国际性协会, 成员中包括

- 科学工作者,
- 专家,
- 研究人员,
- 制造商
- 用户,

致力于研究线材和纤维绳的属性和行为.

OIPEEC 研究项目涉及的应用领域极其广泛, 其中有

- 电梯
- 起重机
- 索道
- 建筑用钢丝绳
- 大规格锚绳
- 矿用起吊钢丝绳
- 深水吊绳
- 工业用钢丝绳

www.oipeec.org

我们能提供何种服务？

收集, 获取, 保存和分发与钢丝绳有关的研究工作的信息

组织国际性会议展示和出版钢丝绳科研工作的成果

通过网站公布钢丝绳科研与技术的最新进展

促进钢丝绳与纤维绳的科研工作与新的开发项目

为专家, 科研人员 and 用户提供网络机遇

与有志于钢丝绳科研工作的个人以及标准化与安全机构
进行交流合作

如何加入到我们组织中来？

若您愿意成为一位会员,
只需通过以下网址与我们取得联系:

www.oipeec.org

每一名会员都能进入与钢丝绳有关的研究出版
物的大型数据库
其内容广泛, 时间跨度在 50 年以上

OIPEEC
能将积极从事于钢丝绳性能研究的人员组织在一起的
唯一的科研机构
