EMPOWERED BY NATURE

Elite 750

5 DECADES OF EXCELLENCE

After 50 years, the Elite series still delivers the best performance in radio reception and audio quality. The Etón Elite 750 has the classic looks and style to match.

ON EVERY WAVELENGTH

The Etón Elite 750 receives every radio wavelength—AM, FM, LW, SW, SSB and VHF aircraft band frequencies.

STRONG AND SENSITIVE

The 360° rotating AM antenna pulls in even the weakest of signals for full, bold sound. Plus, DSP technology enhances tuning sensitivity and fields out interference.

UNBELIEVABLE MEMORY

When it comes to memory storage, the Elite 750 delivers. Program in up to 1000 channels—100 for each band, plus 500 customizable—and tune in to all your favorites with ease.

IN AND OUT

Connect any audio device using the line input and listen to your favorite music and media through the Etón Satellit 750's speakers. Or broadcast your radio to other devices using the line output.

WAKE UP, TIMES TWO

The dual alarm clock function allows you to set multiple alarms. Start your morning in tune with your favorite music, talk show or news.

GET POWERED UP

Use 4 D batteries (not included) or plug in the supplied AC adapter into the DC jack for full power.
