

ELITE SATELLIT HD

NOW BROADCASTING

The Elite Satellit HD has a distinct international flair, along with an elegant sense of design. Curious about what's happening in Great Britain or Greece? Shortwave radio is your way to tune in. And of course, you get the powerful sound and great reception that Etón is known for. So whether you're tuning in to a station that broadcasts from around the corner or across the globe, you're assured of a clean, clear listening experience.

FEATURES

- Frequency coverage: 100-30,000 KHz, includes Shortwave, medium wave AM broadcast band and long wave; 76-90, 87-108
- Reception modes: AM, FM-stereo, Single Sideband (selectable USB/LSB) and CW
- Programmable memories: 500 user programmable with alpha labelling plus 1200 user definable country memories, for a total of 1700
- Direct frequency entry for all bands via keypad
- Memory scan function

<p>am fm lw Receives AM/FM/LW Band</p>	<p>SW Receives Shortwave Band</p>	<p>HD Radio® RDS Receives RDS</p>	<p>DAB+ Available outside of North America</p>
<p>digital tuning Digital Tuner</p>	<p> World Time Settings</p>	<p> Receives Aircraft Band</p>	
<p>SSB Receives Single Side Band</p>	<p> Headphone Jack</p>	<p> Audio Line Input</p>	
<p>ATS Automatic Tuning Storage</p>	<p> Alarm Clock</p>	<p>:SD: Sync Detector</p>	

ADDITIONAL FEATURES

- Excellent sensitivity: yielding a true high-performance receiver
- Dual conversion super heterodyne circuit: results in minimized interference through superior selectivity
- Calibrated LCD signal strength meter
- Digital Phase Lock Loop (PLL) synthesized tuning with Direct Digital Synthesis (DDS) for drift-free frequency stability and finest tuning resolution
- Tuning modes: variable-rate tuning knob, direct keypad frequency entry, up/down push buttons and auto-tuning
- Direct Shortwave band entry, allows instant access to the Shortwave band of choice
- IF passband tuning: an advanced tuning feature that functions in AM and SSB which greatly helps reject interference
- Single sideband synchronous AM detector: selectable USB/LSB or double sideband and to minimize adjacent frequency interference and fading distortion of AM signals
- Selectable bandwidths: 7.0, 4.0, 2.5 kHz for excellent selectivity
- Digital display: large 5.7 inch square, 240 x 320 pixel, dot matrix display- shows all modes and selected functions
- Display backlighting: evenly lit backlight enables display viewing under all lighting conditions
- High dynamic range: allowing for detection of weak signals in the presence of strong signals
- Dual programmable clocks with WWV Auto-Setting
- Dual-event programmable ON/OFF timers: can be used for recording or 'alarm clock' function
- Stereo line-level input: allows listening to other devices such as a CD player through the Elite Satellit
- Stereo line-level output: for recording or routing the output to another device such as a home stereo
- Input for AC adapter (included), input for earphones (not included), input for antenna (not included)
- External antenna connection for the addition of auxiliary antennas, e.g. professionally engineered Shortwave antennas; long-wire Shortwave antennas; specialized AM broadcast band antennas for enthusiasts of AM DX'ing; FM broadcast band antennas
- Separate, continuous bass and treble tone controls
- Superior audio quality via a bridged type audio amplifier, providing high output power with battery operation
- Selectable AGC (Automatic Gain Control): fast and slow mode
- Built-in antenna: telescopic antenna for AM, FM and Shortwave reception
- Power source: 4 D batteries (not included) or AC adapter (included)

SHORTWAVE BANDS

AM	520-1710 kHz (10k)
FM	87.5-108 MHz
LW	150-285 kHz
SW	17.11-30 MHz
AIR	118-136 MHz

DIGITAL OPTIONS

HD Radio
DAB+ Internationally

PRODUCT SETUP INFORMATION

Color	Item Number	UPC
Elite Satellit	NELITESATELLIT	750254811081

What's Included	Product Size & Weight
Elite Satellit HD	Height: 7-1/2" (18.8 cm)
Owner's Manual	Width: 13" (33.3 cm)
AC/DC Adapter	Depth: 2-1/2" (6.6 cm)
	Weight: 4 lbs 3 oz (1.9 kg)

Packaging Dimensions	Master Carton Dimensions
