REMOTE NOTIFYING

Always have peace of mind whether you are home or away. If something is amiss the Blackout Buddy will send you a message notifying you of motion in your home.

UNLIMITED COLORS

Whether you like a cool white countertop, a baby blue bedroom, a cool mint bathroom or even a custom color all your own, the Blackout Buddy is personalizable for every location and taste.

A BRIGHT IDEA

Well actually, two. This emergency LED blackout flashlight doubles as a nightlight. When the power goes out, the Blackout Buddy Color automatically turns on.

TRIGGER YOUR SCENE

The Blackout Buddy seamlessly integrates into the rest of your connected home to control all of your other smart devices.

WiFi Connected Unlimited Color Nightlight with Motion Sensor and Emergency Flashlight

IN A FLASH

Fold up the prongs and you've got a handy dandy, super-bright single LED flashlight. When it's fully charged, you'll have up to 4 hours of life.

SOOTHING GLOW

Provide your child with the safety and security of a friendly glow all night long.

SLEEPS WHEN YOU SLEEP

When it's time to fall asleep, the Blackout Buddy Connect Color nightlight automatically fades off. If you get out of bed, the intelligent motion sensor will turn on the nightlight to illuminate your path.

STAY POWERED UP

The Blackout Buddy Connect Color has Smartphone charging built-in. Plug the nightlight into an outlet next to your bed and you will never have to search for a charging block again.

FEATURES

- WiFi control and remote notification
