# BLACKOUT BUDDY CONNECT **COLOR**

16 Million Colors

WiFi Connected

Motion Sensor

Emergency Light

Night Light

LED Flashlight

ALWAYS READY

## UNLIMITED COLORS

Whether you prefer a cool white countertop, a baby blue bedroom or a cool mint bathroom the Blackout Buddy is infinitely customizable for every location.

## A BRIGHT IDEA

Well actually, two. This emergency LED blackout flashlight doubles as a nightlight. When the power goes out, the Blackout Buddy Color automatically turns on.

## REMOTE NOTIFYING

Always have peace of mind whether you are home or away. If something is amiss the Blackout Buddy will send you a message notifying you of motion in your home.

## STAY CHARGED & READY FOR ANYTHING

With its 1 A charging port and internal 500 mAh Lithium-ion battery built right in you have a place to charge your phone on a daily basis or get a critical top off even when the power goes out.

# WiFi Connected Unlimited Color Nightlight with Motion Sensor, Emergency Flashlight and USB Smartphone Charging

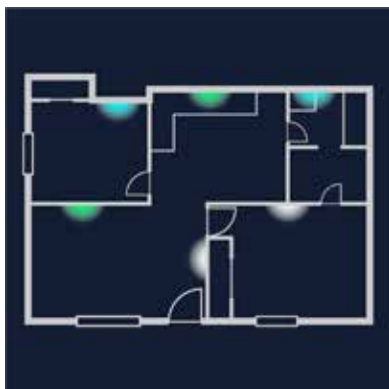

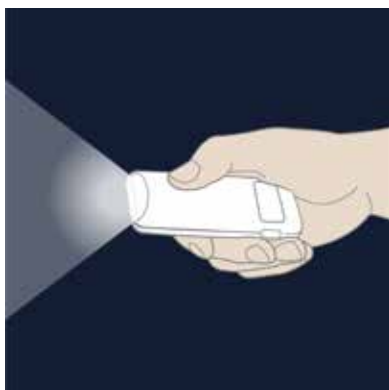

## IN A FLASH

Fold up the prongs and you've got a handy dandy, super-bright single LED flashlight. When it's fully charged, you'll have up to 4 hours of life.

## SOOTHING GLOW

Provide your child with the safety and security of a friendly glow all night long.

## SLEEPS WHEN YOU SLEEP

When it's time to fall asleep, the Blackout Buddy Color nightlight automatically fades off. If you get out of bed, the intelligent motion sensor will turn on the nightlight to illuminate your path.

## LIGHT UP THE NIGHT

The Blackout Buddy Color doubles as an LED nightlight, so you can keep your kids' rooms, hallways, or office illuminated.
