

Give yourself a power boost! **BoostTurbine1000** from Etón is a durable back-up battery with a hand turbine power generator that provides power when you need it most. For everyday or emergency use, BoostTurbine1000 enables you to charge your mobile device anytime, anywhere.

Fast and efficient, in one minute the hand turbine power generator can produce enough power for about 4 minutes of talk time and a few critical texts.* When fully charged, BoostTurbine1000 can provide power for a 50% dump-charge to your smartphone. BoostTurbine1000 is made of tough but lightweight aluminum and with its sleek and elegant design it's compact enough to fit in your pocket.

BoostTurbine1000 features a Micro-USB DC input to use with most smartphone chargers and a standard USB port for charging any mobile device. Press button to see LED indicator of battery charge level.. BoostTurbine1000 is completely self-contained and it's all you need for an on-the-go-power solution.
