

THE SUPER-LOUD, SOLAR-POWERED, MUSIC-BLASTING WIRELESS SOUND SYSTEM

eton
EMPOWERED BY NATURE

rukus XL

Extra **loud.**
Extra **solar.**
Extra **awesome.**

Play your tunes wirelessly from any Bluetooth® enabled device

USB port to keep your smartphone charged while your tunes play

Super efficient enhanced monocrystal solar panel for music on-the-go

Hours of play time on lithium battery

8 speakers with bass boost for big stereo sound

ROCK OUT LOUD

Turn a barbecue into a blowout, a picnic into a party. Wherever there's sun, the rukus XL delivers XL entertainment. Connect wirelessly to any Bluetooth® enabled device and start blasting your favorite tunes in stereo sound. Our super-sized, super-efficient solar panel powers both the music...and the fun.

GO WIRELESS

Stream all your music from any Bluetooth-enabled smartphone, tablet or computer and control your tunes from your device. No wires. No docks. No hassle. With one-touch pairing you'll be jamming in no time.

OUT OF THIS WORLD SOUND

With eight full-range speaker drivers—two tweeters, two woofers and four passive radiators—the rukus XL blasts 22 Watts of stereo sound. And when you need to pump up the low end, hit the bass boost button for extra oomph.

GET POWERED UP

Rukus' awesome solar panel generates massive amounts of power to play your music all day long. When it gets dark, the internal lithium battery will keep the music going for 8 hours¹. Or you can use the AC adapter for non-stop entertainment.

WAY TO CHARGE

Thanks to the USB port on the Rukus XL, you can charge your favorite mobile device while you listen. Now that's super smart... and convenient.

GRAB & GROOVE

Great to use indoors and out. Plus, the handy storage net secures your device while it's charging.
