

# Blackout Buddy Charge

Emergency Light

LED Flashlight

Night Light

2 USB Charging Ports  
(5V2A Output)

Swivel Movement

## THREE SMART IDEAS

Well, actually four. This emergency LED blackout flashlight doubles as a nightlight and features 2 USB ports to charge up to two smartphones.

## READY FOR ACTION

Just leave the slim and trim Blackout Buddy Charge in your wall socket. When the power goes out, the Blackout Buddy Charge automatically turns on for emergency light and backup power, thanks to the long-lasting 2000mAh rechargeable lithium battery.

## IN A FLASH

Remove it from the wall socket and you've got a handy dandy, super bright 3 LED flashlight. When it's fully charged, you'll have up to 30 hours of light.

# The Smartphone Charging, Always Ready, Emergency Flashlight and Nightlight with Swivel Movement

## POWER OUT, CHARGE ON

When the power goes out, you'll have enough backup power to fully recharge one smartphone.

## SAVE SPACE

Need more outlets to keep all your phones charged? You've got it...times two. With two 5V=1A USB ports you can charge two smartphones simultaneously, or one in half the time.

## SHINE ON

Blackout Buddy Charge doubles as an LED nightlight, so you can keep your kid's rooms, hallways, or office illuminated. And, with a swivel-action plug, you can direct the light wherever you need it.

## FEATURES

- Bright emergency 3 LED light
- Two 5V=1A USB Ports
- 2000 mAh lithium battery
- Lights up when there is a power failure or blackout
- Swivel movement directs light where you need it
- Can be used as a flashlight
- One LED night light
