EMPOWERED BY NATURE

Blackout Buddy H₂O

LET THERE BE LIGHT

Never get left in the dark again with the **Blackout Buddy H₂O**. This eco-friendly, water-activated emergency light is the ideal and safer alternative to candles and matches.

JUST ADD WATER

Dip the Blackout Buddy H₂O in a small cup of water to activate the battery module and light the way. Simply add water once per day to keep the light shining for up to 72 continuous hours.

WEATHER OR NOT

No matter what the forecast, the Blackout Buddy H₂O is safe to use—even if submerged in water.

HANDY DANDY

Thanks to its lightweight, compact design, the Blackout Buddy H₂O is easy to stash in your backpack, purse or briefcase. Keep one in the car and one at home for light whenever and wherever you need it.

Water-Activated
Emergency Light

72 Hours of
Continuous Light

The Always-Ready, Water-Activated Emergency Light (No Batteries Required)

BUILT TO LAST

The rugged, environment-proof package means you can store it for up to 10 years without degradation.

GOOD FOR THE PLANET

The Blackout Buddy H₂O's Magnesium-oxide battery module is free from Mercury, Hexavalent Chromium, Cadmium, and Lead.

GET ATTACHED

Blackout Buddy H₂O attaches easily to silicon sleeves or suction cups for easy hanging or sticking to the wall.
