Please note that although my home is in the Twin Cities, I'm quite willing to travel to most of Minnesota, Wisconsin, North Dakota and even further. Just ask!

I have been a quilter for many years. I started sewing when I was able to reach the sewing pedal and switched to all quilting about 25 years ago. I love the challenge of matching fabric to a pattern and creating a beautiful quilt to give someone comfort. I've made upwards of 200 quilts and have gifted the majority of those to family and friends.

My quilting life changed when I started following Gudrun and GE Designs. Her patterns are amazing! Gudrun's Stripology® Rulers revolutionized the way I quilt and I'd love to show your guild, club, or store how they can work for you!

My job that pays for all the pretty fabric is being a Middle School Language Arts teacher. My background in teaching gives me the patience, pedagogy knowledge, and troubleshooting skills to work with a variety of customers.

I can teach a variety of classes. Here is a sampling:

- Mastering Your Stripology Rulers (full or half day-see below)
- Back Home or Leo (a great way to make the above class a full day class by working on Flying Geese)
- Elvira or Elvira 2 (Full Day) Skill level Advanced Beginner
- Saga or Little Saga (Full day) Skill level Advanced Beginner
- Jojo or Little Jojo (Full day) Skill level Beginner
- Velocity (Full day) Skill level Intermediate
- Zoe (Full day) Skill level Intermediate
- Katrina (Full day) Skill level Advanced Beginner
- Lucy (Full day) Skill Level Intermediate
- Steamy Windows Supersized- a great kids or beginner class
- Any other GE Design pattern
