

STRIP ALONG 2020

Gudrun's Quilt Crew

Pattern: **STRIP TO SHORE**

Cutting for sashing - Reference Sheet

Cutting 30° triangles from background fabric.

If using triangle or hexagon ruler, refer to the pattern.

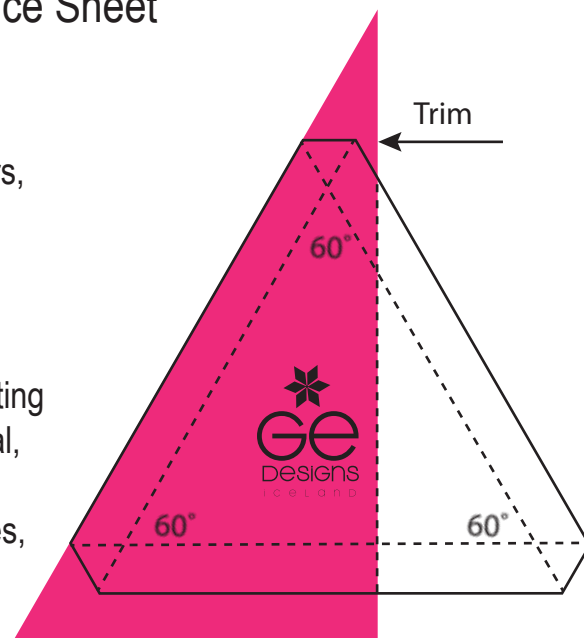

If using the Stripology XL or Original with the G-Easy trimmers, cut your strips at 5-1/4".

Subcut the strips into 5-1/4" diamonds according to the 1/4" cutting sheet found on www.gequiltedesigns.com under free patterns and templates.

If you have the XL, Cut those diamonds into triangles by rotating the ruler and repeating the 5-1/4" cuts. If you have the original, cut the diamonds in half as shown in the video.

Cut the 60° triangles in half to make mirror image 30° triangles, use the trimmers to trim off the tips.

Reference videos for technique.

Cutting the sashing parallelograms for Spaced versions

Cut 1" strips from the background

8 for crib, 11 for lap, 24 for Twin/full, 33 for Queen

Cut the strips into mirror image pairs of parallelograms, 4-1/2".

Reference videos for technique for different tools.

You will need the following amount of pairs:

30 for crib, 42 for lap, 96 for Twin/full, 130 for Queen
