

Teen Spirit with Snow Place Like Home

I bordered the panel images to mix in with the Teen Spirit pieced blocks.

I made the lap size quilt from the bundle and one Panel.

I made 6 large panel blocks and 14 pieced blocks.

Find the tutorial on squaring up
panel blocks, in our
Topsy Tuesday #104 episode.

Trim the panel images to a 9-1/2" width
and 11-1/2" height.

From two of the half yards, cut the
following from each:

Two 1-1/2" strips, subcut into six 1-1/2" x
11-1/2" rectangles for the sides of the
panel.

Two 3" strips, subcut into six 3" x 11-1/2"
rectangles for the top and bottom of the
panel.
