KNIGHT & DAY JEWELLERY

AUTUMN | WINTER 2025

Autumn/Winter'25 has arrived & with it so many shades of brown. Our mix of luxurious golds, tiger's eye gemstones, golden shadow & ruby red crystals sit so comfortably amongst the variety of browns.

Multi coloured crystals embellish the new **Initials Collection** from within **The Pink Box**, 18k gold plated, series.

Glamour is high with our **Luxury Earring Collection**, featuring statement pieces using luxury materials.

Pearls vary from discreet freshwater pearls and elegant shell pearl to bold fashion faux pearls.

Enjoy the richness of Autumn colour!
