KNIGHT & DAY JEWELLERY

## SPRING SUMMER 2024

Warm sunshine, cool silver & eclectic colours in semi precious stones is how we are thinking in **Knight & Day** for Spring Summer '24.

Amazon, pink jade, lapis, malachite & aventurine flow seamlessly through the collection to enrich our Summer sun.

Ice blue, lavender & nude pink are among the colours in our chic enamel styles.

Chunky silver & statement earrings add to the vibe but elegance is maintained with freshwater pearls & micro pavé style.

Enjoy...
