⚠ WARNING

Risk of injury if used incorrectly

This model list and the separate user guide are components of the product and contribute to its safe use. Non-compliance may lead to serious or even fatal injuries.

- ▶ If there are uncertainties, do not use the product and immediately contact your retailer.
- ▶ This product may only be used on car seat, which have been tested and approved by us.
- ▶ These car seats are stated in this model list with numbers: The numbers refer to the position in the vehicle.

⚠ WARNING

Risk of injury if the support leg is not stable

The support leg is an integral safety component of the child seat. If the support leg is **not** on a stable vehicle floor, this can lead to serious or even fatal injuries.

- ▶ **Never** place objects underneath the support leg.
- ▶ Make sure that the support leg is standing stably on the floor of the vehicle.
- ▶ Make sure that the support leg is **not** on an under-floor storage compartment. Use on an underfloor storage compartment is prohibited.

ⓘ The list of vehicle models has been created in accordance with the requirements of Standard UN R129 and contains the vehicle models, in which the product has been tested as at the date of publication according to the instructions contained in the user guide. However, the information about a specific vehicle model is not a guarantee that the product can be installed in the stated vehicle. Observe and follow the user guide of this product.

ⓘ If the desired vehicle is not included in the model list, please feel free to contact us.
