## KEY FEATURES

### Wired Remote

Ergomotion remotes are modern and stylish devices available in either wired or wireless configurations.

### Head Articulation

Elevate the head of the Ergomotion bed to reduce snoring and relieve back pain.

### One Touch Flat Preset

With the press of a button, gravity brings the bed back to a flat position so you can climb in and out of bed with ease.

### Foldable

Provides the ultimate in convenience for USB devices. Charging or powering phones, tablets, or other devices is within easy reach.

### UPS Shippable

Meets standards for US United Parcel Service shipping. No delivery service scheduling required.

### 1" Ultra Slim Profile

Maintains the beauty of the bedroom set by fitting almost invisibly between the mattress and the base.

### 12" Stackable Legs

Provides multiple height options so the base can be set to a variety of heights, accommodating aesthetics or different levels of underbed storage.

## ERGOMOTION FEATURES

### Zero Standby Power System

The Ergomotion bed features energy efficient technology to help you cut your bills and your environmental footprint. When not in use, the Ergomotion bed consumes less than 1 watt of energy.

### Power Outage Protection

If electrical power is lost, the base can be brought to a flat position by pressing the button on the power down box under the base.

### Silent Drive Motors

The reliable Ergomotion motors are designed for extremely quiet operation, so you won't be disturbed while lounging, reading, or sleeping.

### Gravity Release

Slow, controlled return to flat powered only by gravity. The Head and foot motors are designed to lower the mattress by reacting only with gravity, never pulling downwards, which minimizes pinch points.

## ACCESSORY OPTIONS

### Interchangeable Leg Options

A variation of styles are available, including 3-in-1 legs. the 3" + 6" leg heights can work separately or together for a height of up to 9 inches.

### Headboard Brackets

Connect your Ergomotion bed frame to your favorite headboard with our brackets for a cohesive and polished look to complement the rest of your bedroom's decor.
