Bespoke Boxes & Gifts

We appreciate that some gifts are best built with that personal touch to really say thank you. This is why we also offer fully bespoke boxes, pick and choose the products that best suit your needs and we will take care of the rest. We also offer prefixed pizza and steak boxes which can be discussed if desired.

Our offering also extends to a few non perishables; including our Pipers Farm 'The sustainable meat cookbook', hand dipped bees wax candles and our handmade sustainable tallow and essential oil soaps.

If this has left you spoilt for choice we also offer digital gift cards, a great way to gift whilst giving your recipient the ultimate choice.

Simply pick the gifting option that suits you best and we will take care of the rest, we'll pack and deliver you gifts to you or directly to your recipients home or office.

Our digital gift cards will be sent directly to your recipients email with your own personal message.

Packaging & Delivery

Our delivery service ensures a hassle-free experience, as we take care of delivering each gifting boxes, cost of delivery is included in each hampers costing. Whether you prefer to consolidate all hampers to a single site or office, or have them individually delivered to recipients' offices or homes, we've got it covered.

Additionally, our thoughtfully curated hampers are presented in our signature Piper's Farm packaging boxes filled with our wooden wool to keep everything safe as it is being transported.

We understand the importance of personalisation, this is why we will also print personalised messages provided by you to each gift. This ensures that each of your recipient feels the warmth and sincerity behind the gift, making the experience truly special and tailored.
