

Quick Start Guide

Pair of 3/8" Tips

for PCS-Boom Connector (185805)

Thank you for choosing the Rycote Pair of 3/8" Tips for PCS-Boom Connector! This guide provides you with the basics to get you started.

Full details about this product are available on our website: rycote.com/microphone-windshield-shock-mount/pcs-boom-range/

Overview

These tips are designed for use with the Rycote PCS-Boom Connector (not supplied), the ingenious new quick attachment/quick release connection system for professional boom pole use. These tips are identical to the tip which is supplied with that product.

Pair of 3/8" Tips for PCS-Boom Connector

Quick Start Guide

Getting started

NOTE: The PCS-Boom Connector is tested to withstand the equivalent wear of 10+ years of normal use. However, the mechanism relies heavily on the PCS tip being in good condition/order. If your PCS doesn't work as smoothly as it should, please check the condition of the tip, and replace it if required.
