

Old World Christmas®

Dear Friends and Valued Customers,

The Old World Christmas family would like to take a minute to say thank you for being one of our amazing customers. Not a day goes by that we don't have an encounter with one of so many thoughtful, passionate and kind people who bring joy into our lives. It is with confidence that we claim to have the best customers in the industry and we are truly blessed to know you!

2020 is once again going to be bigger and better than ever for Old World Christmas and all of our customers and we have lots of exciting things to tell you about! As usual, in January we will introduce 150 new designs, which keep getting better and better with each passing year. The level of design detail is second to none and our themes continue to expand to reflect the current trends of the day. With the success of our "Vintage Woodland" collection last year we have expanded that into a beautiful "Vintage Reflections" collection, reminiscent of the 1940s.

Also, in what might be our biggest news.... we acquired TRC, Inc, and the ever creative and magical Ginger Cottages line of ornaments and home décor. These are available from Old World Christmas starting now and will be eligible for the OWC dating and discount programs! Glenn Crider, the founder and designer of Ginger Cottages has joined Old World Christmas and will continue to add to this enchanting collection of products.

Our loyal customers continue to come to us for innovative, premium ornaments because of our unwavering commitment to providing finely crafted and affordable products. We strive to be the best in the industry in terms of customer service, generous programs and excellent margins, and will continue doing everything we can to earn your trust and your business.

To all of our customers who experience the joy of Old World Christmas, we wish everyone a happy, healthy and prosperous 2020.

Our warmest wishes,

The Old World Christmas Family
