

Old World Christmas<sup>®</sup>

*Dear Friends and Valued Customers,*

*As we look forward to the coming year with renewed energy and optimism, it is our pleasure to introduce you to the Old World Christmas 2023 Collection. At Old World Christmas, we believe our heirloom quality ornaments make new memories and commemorate old ones.*

*This year we lean in with some popular themes like Gnomes and S'mores, but also explore what's new in the garden with butterflies, birdhouses and even a She Shed. We have some new partners to share as well. We hope you will enjoy the Norman Rockwell designs we developed with his granddaughter Abigail Rockwell. And if you can't decide between a sweet or salty snack, we encourage you to try both with our new Cheetos or M&M'S/Mars candy ornaments.*

*We hope you will be inspired with our new line of mini ornaments, Gumdrops™. These intricately designed miniature glass ornaments (and mini tree, toppers and skirts) are sized just right for small spaces from apartments and dorms to secondary locations throughout the home.*

*We are so appreciative to work with partners who share our passion. We hope our generous programs, customer service and continued marketing investments in the brand help make your 2023 a great success.*

*Our warmest wishes for the best year ahead.  
The Old World Christmas Family*

*Traditions to Cherish*
