BEAUTIFUL BAGS

Independent designer, Alice Haung has created a range of stunning handbags made from the finest leather remnants and unique and authentic vintage kimonos. Each handbag is handcrafted in the US using a mixture of new, organic and recycled materials to create a truly individual one-of-a-kind item. Alice's line is called 'Mei' for the Chinese meaning 'beautiful', and her designs have been influenced by architecture, landscapes and eastern and western art.

Prices start at \$148 for the Hermosa Wallet. Mei Vintage is available from meivintage.com
