**SPECIAL INSTRUCTIONS**

When shipping in your turbocharger, please make sure you print and fill out all forms. Please drain all oil, remove all fittings, hoses, and brackets. Place turbo in a plastic bag to make sure no oil leaks out during shipping.

Please ship turbocharger in smaller box(9x9x9/10x10x10). Make sure to pack securely as possible. Make sure to add insurance on package and save all tracking info and receipts. Email tracking information to [sales@turbobayperformance.com](mailto:sales@turbobayperformance.com) and reference invoice/order number.

After we receive your turbocharger we will email you to confirm arrival.

All turbochargers left over 30 days without payment or abandoned will be sold to recover costs incurred.

Please sign and date this form, acknowledging your acceptance of these terms and conditions of Turbobay Performance.
