

The world's FIRST Stick Pack Bloody Mary Seasoning - Here are some selling points and facts!

8 grams of Spice per stick - Each Stick or Scoop will flavor 10-12 Ounces of Vegetable Juice or Clamato - Always go by the amount of tomato juice you are using, not the size of the glass - Half a Can? Use less of the stick pack! Same with the scoop in the Tin - One scoop from the Speed Mix is the same amount as the stick pack. 8 grams - They are equal portions to avoid confusion. Make a Michelada, Bloody Maria, or Classic Caesar with ease! Use it to season meat, poultry or fish. Makes an excellent addition to any wing sauce | See more [www.Devildaves.com](http://www.Devildaves.com)
