REVAIR

Never fear,
you didn't end up on the naughty list,
your Reverse-Air Dryer is still
being made by the elves.

RevAir was at the top of the wish-list of
beauty savvy people everywhere this
holiday season. And, we guarantee
that it will be worth this short wait!

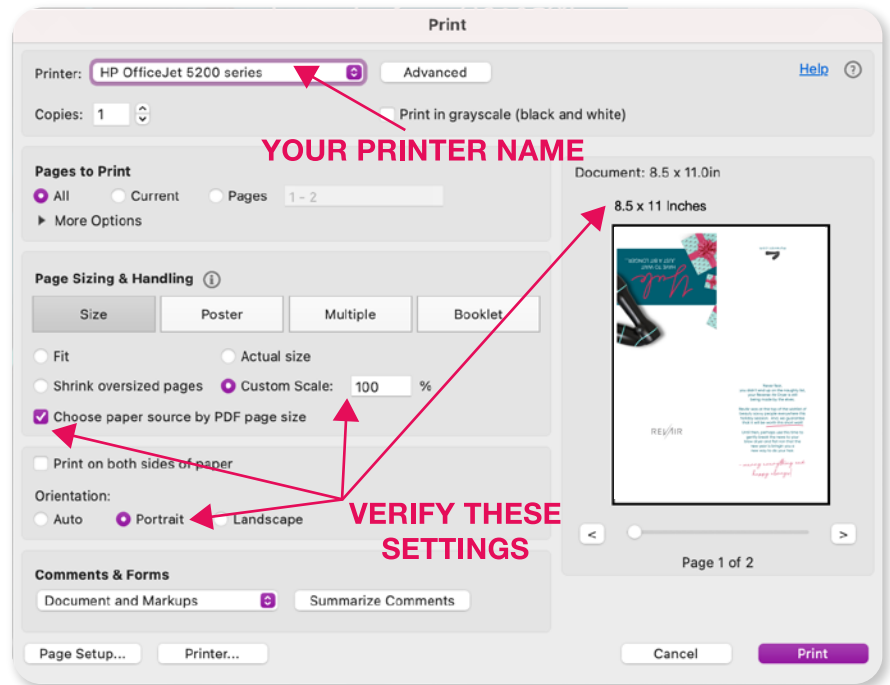

Until then, perhaps use this time to
gently break the news to your
blow dryer and flat iron that the
new year is bringing you a
new way to do your hair.

*- merry everything and
happy always!*
