Section 2: Lace border (Chart on page 6)

You will now begin the lace border section of the shawl. Start with Row 1 of the chart; written instructions are also provided.

The chart represents only one half of the triangle shawl and must be worked twice per row as follows:

Row 1: K3, *work chart*, k, *work chart*, k3
Row 2: K3, *work chart*, p, *work chart*, k3

Note that the centre stitch of each row must be worked in either k or p before the second chart repeat is worked.
Also note that the boxed section indicated within the chart is a repeat motif and should be worked three times consecutively each half row.

CARE NOTES

Whether you are using commercially dyed yarn or lovely hand-dyed skeins, please keep in mind that colours might bleed. None of the examples shown bled, but I always knit up a sample and wash it as you would your finished item to be sure. Please use common sense - reds and crazy pinks tend to bleed the most, any red/white combo is probably not a good idea (we separate laundry, right?). To minimise bleeding, gently soak the swatch/finished item in cold water with a mild detergent or wool wash. The gentler you wash your project the better it will look over time.
