VIDILLA

by Beata Jezek

One at a time, top down, heel flap construction sock pattern. Intricate, yet modern look. Narrow fit, for a larger sock go up a needle size, as the pattern repeat is too large to allow for sizing up. Keep in mind that socks always stretch! I like to knit them tighter to accommodate the inevitable.

YARN

Hedgehog Fibres Twist Sock, Colourway: Graphite, 1 skein

NEEDLE

2.25mm 24" or 32" circular needle. Pattern is written for Magic Loop, but can easily be modified for double pointed needles.

VIDALIA SOCK PATTERN

INSTRUCTIONS

Cuff:

Cast on 60 stitches, divide the stitches in half on a magic loop.

Tail indicates the beg. of round.

Work ribbing: Repeat Chart row 1, for 1.5 inches/3.5cm/approx. 18 rounds.

Leg:

Work **pattern as per Chart** once.

Work rounds 1-22 again, once.

Heel:

Heel flap

Do not rearrange stitches, work on half of the stitches only (30), back and forth, in a slip stitch pattern

Row 1 (RS): slip 1, *k1, slip 1* end k1

Row 2 (WS): slip 1, purl to the end of row

Slip all first stitches, purl-wise on the WS and knit-wise on RS

Repeat the 2 rows until you have 34 rows or 17 slipped chain stitches on the side of the heel flap.

Turn Heel

work back and forth in short rows

Row 1(RS): slip 1, k16, ssk, k1, turn work

Row 2 (WS): slip 1, p5, p2tog, p1, turn work

Row 3 (RS): slip 1, knit to 1 st before gap created by turn on previous row, ssk to close the gap (1 st from each side of the gap), k1, turn.

Row 4 (WS): slip 1, purl to 1 st before gap created by turn on previous row, p2tog to close the gap (1 st from each side of the gap), p1, turn.

Repeat Rows 3 and 4 until all stitches have been worked and 18 remain (finish on purl row).

Shape gusset:

setup:

knit across heel, pick up 17 stitches from the side of the heel flap (those slipped chain-like stitches), pick up an extra stitch for the gap between the heel flap and the top of the foot - 18 stitches. Knit across the top of the foot in pattern (continue chart on round 23). Pick up 18 stitches on the other side of the heel flap (one for the gap again), knit across the heel.

Round 1: knit across gusset until 2 stitches before the top (pattern) panel, k2tog, knit across front in pattern, ssk, knit across other gusset, knit across heel stitches.

Round 2: knit across gusset, knit across top panel in pattern, knit across other gusset, knit across heel.

Repeat these two rounds until you have 30 stitches left for the sole (and 30 remains for the top panel).

Foot:

Work even in pattern (front panel only), until round 44. You should have 2 'onions' on the top panel (from when you started the heel flap.)

Repeat round 44 until the foot measures 2" (5cm) less than desired length from the back of heel. The sole of the sock is kept in stockinette.

Finish round by knitting across sole.

Toe:

Round 1: ssk, knit across the top panel (disregard the pattern) within 2 stitches on the needle, k2tog; ssk, knit across the sole within 2 stitches on the needle, k2tog. 4 stitches decreased.

Round 2: knit

Repeat the two rounds until you have 8 stitches on each needle, graft the two sides together.

Tip: For more rounded toe, decrease every round for the last 2 rounds.
