

Go Rings

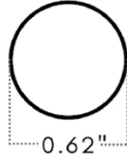

let's find your ring size

If you have a ring, you can lay it on top of these circles to find what size it is.
No ring? Use the sizer below to measure your finger.

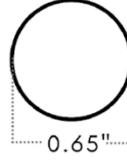

Size 4

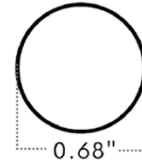

Size 5

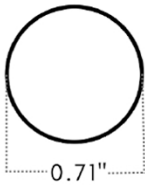

Size 6

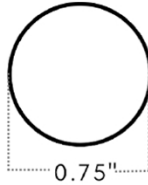

Size 7

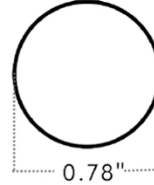

Size 8

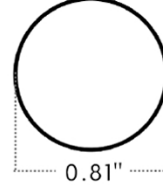

Size 9

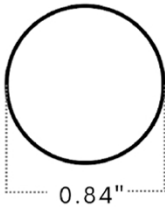

Size 10

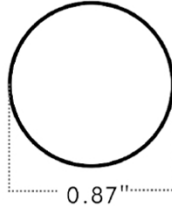

Size 11

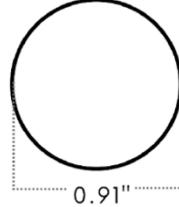

Size 12

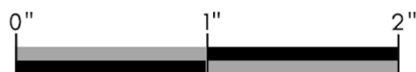

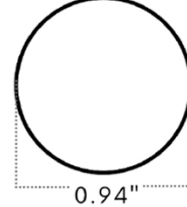

Size 13

Size 14

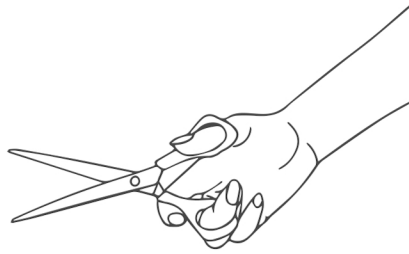

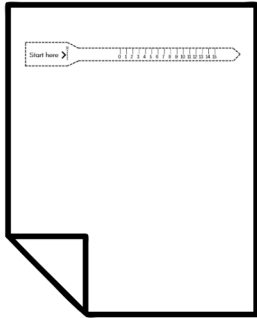

Size 15

When printed, this scale should measure 2 inches in length!
If it doesn't, adjust your printer scaling settings.

instructions

1

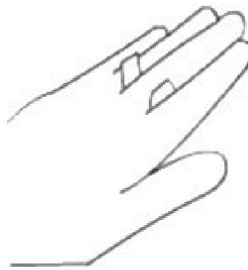

Cut out the ring sizer

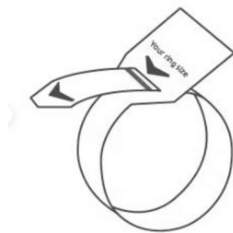

2

Wrap it around your finger

3

Draw a mark to note the size of your finger

4

Voila. You've got your ring size! Time to add to cart.
