ABOUT US

We are a movement driven to inspire healthy, conscious living. Our mission is to promote unity, spread positivity and encourage people to get fit because of how it feels, not because of how it looks.

We believe every person has an important voice and when you wear a powerful message, you help spread inspiration no matter your age, weight, gender or color of your skin. Making yourself heard is hard work, but when you put your honest effort, your pain and your purpose into anything, you won't just sweat... you will sweat with soul.

LOVE. SWEAT. EVOLVE.

Liberte & Brett

An aerial photograph of the Los Angeles skyline at sunset. The sun is low on the horizon, casting a warm orange glow over the city. The sky is a mix of orange, yellow, and blue. The city buildings are silhouetted against the bright sky. The overall mood is serene and urban.

MADE IN LOS ANGELES

Our brand was founded in 2017 and is proudly made and manufactured in Los Angeles. We have high standards and our fabrics are super soft and buttery, and our silhouettes are loose, comfortable, yet complementary. Our tees, tanks, and hats not only make you look good but most importantly they'll make you feel good.

LOVE. SWEAT. EVOLVE.
