## **CANDEX**<sup>®</sup>

This guide was developed to help recommend the most compatible of today's commonly available LED dimmer switches. After extensive testing and review, Candex recommends the following for the best dimming performance and accurate control of dimming range.

## DIMMABLE BULBS

## LED MR16 GU5.3

M850289 M850337

## **COMPATIBLE DIMMERS**

Brand	Series	Model No.
Legrand	Harmony	DLV703P
Lutron	Ariadni Low-Voltage	AYLV-600P-WH
Lutron	Diva Low-Voltage	DVLV-600P-WH
Lutron	Maestro Wireless	MRF2-3LD

Results may differ depending on conditions of installation. Dimmers not listed do not imply incompatibility. It is also recommended to refer to manufacturer's instructions for installation and additional information.
