

COLORED

S11 LED BULB YELLOW

With modern energy efficient lighting technology, Candex S11 LED specialty colored light bulbs are a great option for signs, string lights, and other colorful decor. The color is an opaque yellow finish. It uses only 1-watt of energy providing the same brightness of 10-watt incandescent. Low heat, mercury free, and RoHS

compliant. This non-dimmable S11 LED bulb is shatterproof and can screw into standard medium base sockets. Available in blister 2-packs.
