

Copper Creek

Pricing & Specification Guide

Residential & Commercial

April 1, 2023

First, we want you to know that we appreciate and value every one of our customers and consider you a part of our Copper Creek Family. We recognize that you have a choice in lockset brands and are hopeful that you see the value and quality that we have built into all our products. Given the opportunity, we hope to show you what a true partnership looks like in the lockset business. If you are interested in becoming a part of our family, please download a copy of our credit application located under the **resources** tab at www.coppercreekhardware.com.

Copper Creek General Information Page

Minimum Annual Sales Volume:

- Copper Creek reserves the right to discontinue direct sales to any customer that doesn't meet the minimum annual sales volume requirement.
- The current annual requirement in any combination of Copper Creek, Commercial or Montana Forge products is \$10,000. Your annual purchases are determined by orders accepted, shipped, and paid for during each calendar year.
- Copper Creek reserves the right to change any or all minimum annual sales volume requirements at any time.
- Any customer who does not meet the annual sales volume requirements may continue to purchase Copper Creek products through a Copper Creek distributor.

Terms & Conditions of Sale:

- Standard terms are 2% 15 net 30 days. (2% discount if paid within 15 days from date of invoice, otherwise payable in full at net value within 30 days from Invoice).
- Joint Check customers receive 30-day terms only. No discount for early payment.
- A 1-1/2% service charge or maximum allowable by law, will be applied at the end of every month to all past due balances that remain unpaid.
- The customer agrees to these terms upon placing an order with Copper Creek. No other terms will be accepted, even if written on the purchase order, unless agreed to in writing by Copper Creek.
- The customer agrees to these terms upon placing an order with Copper Creek. No other terms will be accepted, even if written on the purchase order, unless agreed to in writing by Copper Creek.
- All orders, whether solicited or written by our sales representatives or forwarded by our customers are deemed to be mere offers to purchase in accordance with these Terms and Conditions of the Sale until being accepted by us at our office in Murrieta, CA. We reserve the right to refuse any order as well as the right to sell or not sell to any firm at our sole discretion. The acceptance of an order is expressly made conditional upon your assent to these Terms and Conditions of Sale. We object to the inclusion of any different or additional terms or conditions, even if the same are included in your order, a contract of sale will result upon the Terms and Conditions of Sale stated herein only. Prices reflected in this book apply to Wholesale customers only.

Pricing:

- This price book is a list price guideline only. All prices are subject to change without notice and are not guaranteed. The price on your acknowledgment is your price so if something looks wrong, please notify your Copper Creek representative. All taxes, duties or other charges are the responsibility of the customer. Contact a Copper Creek representative for your exact pricing.
- All prices are FOB Copper Creek, all applicable taxes extra.
- No minimum order value required although there will be a \$10.00 shipping and handling charge on orders less than \$50.00.

Freight Policy:

- All orders exceeding \$1,500 net, will have freight prepaid by Copper Creek to one destination point in the United States.
- All orders less than \$1,500 net will be shipped at the customer expense and the freight charge will be added to the customers invoice.
- All products become the property of the customer upon delivery of the products to the shipping carrier. All claims for damages or loss in transit must be made by customer with the carrier.

Returns:

- Returns for any reason require a Copper Creek return authorization number otherwise the return will be refused.
- All returns are subject to a 25% restocking charge.
- Returns on specialty configured locksets will be subject to an additional 10% re-stocking charge.
- It is the customers responsibility to pay the freight charges associated with any returns to Copper Creek.

Credit Card Policy:

- We do accept some credit cards as a method of payment. Below you will see the cards we accept as well as the fees associated with using them. There are no prompt payment discounts available when using credit card
Visa - 3% | MasterCard - 3% | American Express - 5%
- 3% times the net order total before freight. An example would be a \$100 order adds \$3.00 or \$1,000 adds \$30.00.

Warranty

Mechanical Warranty

- Copper Creek Hardware Inc. (CCH) offers a mechanical warranty for all CCH residential hardware that covers mechanical defects in material and workmanship. The warranty does not cover misuse, abuse, finish defects, damage caused by poor installation or failure to read installation instructions. CCH will not be held liable for any and all indirect or incidental costs, punitive or consequential damages, arising from the sale, abuse, or misuse of CCH locksets. All warranties are for the original purchaser from the date of purchase as long as the original user occupies that residence. CCH locksets carry a lifetime mechanical warranty to the original purchaser of the locksets only.

Finish Warranty

- CCH offers a finish warranty for all residential hardware that covers finish blemishes and imperfections due to manufacturing process. The warranty also covers tarnish caused by natural environmental elements if and only proper care & maintenance instructions are followed (see proper care instructions below). The warranty does not cover damages from paints, cleaners, chemicals, scratches, abrasions, or installation in non-residential buildings and applications.
- All warranties are to the original purchaser from the date of purchase so long as the original user occupies that residence. Warranty replacement may be limited to a "one time replacement" if environmental conditions (e.g., living within a few miles from the ocean) are considered severe at the discretion of CCH. All CCH locksets carry a five (5) year warranty on standard finishes, Montana Forge Handlesets carry a ten (10) year warranty on French Gold, Polished Stainless and Satin Stainless finishes, and five (5) year warranty on Black and Tuscan Bronze finishes.

Proper Care & Finish Maintenance

- For all exterior applications, once installation of your CCH lockset is complete, take a few minutes and protect your lockset with a quality carnauba car wax following the manufacturers application and buffing instructions. Lockset should be cleaned once per month with a damp cloth. Excessive grime can be removed with a gentle soap but do not, under any circumstances, use any harsh or abrasive chemical cleaner. Failure to follow these instructions will void the finish warranty.

Commercial Grade-2 and Grade-1 Levers

GRADE-1 & GRADE-2 LEVER FUNCTIONS	
Passage 6220 or 7220	Both levers always free turning. No locking operation.
Restroom 6231 or 7231	Inside lever always free turning. Inside push-button locks exterior lever. Exterior lever can be opened by rotating outside privacy mechanism or rotating interior lever. (emergency egress and kickoff equipped).
Entry 6241 or 7241	Pressing inside push-button locks exterior lever. Rotating inside lever or use of key retracts latch and unlocks exterior lever.
Storeroom 6250 or 7250	Inside lever always free turning. Outside lever is fixed and can only be rotated with use of key. When key is removed outside lever remains locked.
Classroom 6260 or 7260	Inside lever always free turning. Outside lever can be locked or unlocked with key.
1/2 Dummy 6290	Dummy trim for pull or push handle only. No rotating locking or unlocking functions.

Commercial Lever Specifications & Options		
	6200 Heavy Duty	7200 Super Duty

Double Door, Auxiliary Fire Latch option
shown, One point locking into top
jamb each door

Mechanical Warranty

Copper Creek Inc (hereafter the manufacturer) offers a limited lifetime mechanical warranty for all Copper Creek Commercial Hardware. The warranty covers mechanical defects in material and workmanship. The mechanical warranty does not cover misuse, abuse, finish defects, or any damage caused by failure to read installation instructions. The warranty does not cover improper or poor installation or installation in any application not in compliance with manufacturer instructions and guidelines.

Finish Warranty

The manufacturer offers a 2-year finish warranty for Copper Creek Commercial hardware to the original purchaser. The warranty covers finish blemishes and tarnish caused by natural environmental elements including sunlight, salt air, and humidity. The warranty does not cover damages from paints, cleaners, chemicals, scratches, abrasions, or improper installation in residential or commercial buildings and applications.

Additional Warranty Terms, Conditions, Guidelines, and Claims

The purchaser of Copper Creek Commercial Hardware agrees to the following additional terms and conditions:

- The manufacturer is not responsible or liable for changes or alterations to our products by any 3rd party.
- All warranty claims must be made in writing or by telephone directly to the manufacturer from the original purchaser where the locks were first sold to validate the claim.
- At the manufacturers discretion a site inspection may be required to validate any warranty claims and ensure the products were installed in accordance to the manufacturers guidelines and limitations.
- At the manufacturers discretion all warranty claims may be subject to a factory test lab inspection to identify any improper use and or abuse.
- Copper Creek hardware is manufactured and independently tested according to American National Standards Institute (ANSI) grading standards. Any attempt to install Copper Creek Commercial Hardware products not in compliance with these guidelines or on any application the product is not designed for, will void all mechanical and finish warranties. If any question or concern exists on the planned or intended use of Copper Creek Commercial Hardware, a manufacturer representative should be contacted to confirm the correct application and that guidelines are adhered to prior to installation of the hardware.
- The mechanical and finish warranties are non-transferable, and cover defects on products installed by the original purchaser at the original installation site only.
- Products proven defective in the warranty period should be returned freight prepaid to 25959 Jefferson Avenue, Murrieta, CA 92562. The product will either be repaired, replaced, or the purchase price returned to the original purchaser. Return freight and or cartage costs are the responsibility of the original purchaser.
- The manufacturer's maximum liability is limited to the original purchase price of the hardware.
- The manufacturer reserves the right to make improvements or changes to the specifications and designs of our products without obligation to incorporate those improvements or changes on previously manufactured products.
- The Manufacturer (CCI) makes no other warranty, either expressed or implied, other than the above stated Mechanical and Finish warranties, terms, conditions, and guidelines.
